Grzegorz Milka

Permament Address
Ul. Dobra 53
47-206 Kędzierzyn-Koźle
Poland
tel.: 4083100462
e-mail: grzegorzmilka@gmail.com

Education

- University of Warsaw - Faculty of Mathematics, Informatics and Mechanics
Double Degree Program in Computer Science and Mathematics
From 2010 (Graduation September 2015)
Received Bachelor's degree in Computer Science with honors, top of the class

Experience

- Internship at NVIDIA in Santa Clara
June-September 2014
  Duties
  - Research and implementation of low latency, reliable messaging transport layer network protocol.
  - General software engineer duties.

- Internship at Peerson research project - Cryptographically secure distributed online social network at Royal Institute of Technology in Stockholm
June-August 2013
  Duties
  - Design and implementation of a prototype of Peerson project with design of nonstandard cryptographical protocol used in DHT.

- Programming Internship at Nebulostore Project   From June 2012
  Duties
  - Developing a network communication layer for distributed peer-to-peer storage system suitable for various applications including distributed online social networks and persistent backup systems.

Achievements

- Algorithmic Skirmishes - National programming competition, University of Warsaw,   2012
  Finalist
- Olympiad in Informatics, Ministry of National Education   2010
  2nd Place
- Olympiad in Economic Knowledge, Ministry of National Education   2009
  2nd Place
- Championship in Team Programming in Opole, Opole Polytechnic Institute 2009
  Winner

Abilities

Languages	Python, Java, C/C++, LaTeX	Very well
	HTML, Javascript, SQL, Haskell	Basics
Toolbox	GNU/Linux, GIT, SVN, Vim, Eclipse, Perforce	Well

Hobbies   Programming (Github: github.com/gregorias), Long distance running, Hiking (Polish Tatry, German Alps)
